# OUR REUSABLE TO-GO CONTAINER PROGRAM

is a safe, effective way to reduce waste to landfills.

**EACH REUSABLE  
TO-GO CONTAINER**

CAN REPLACE AT LEAST

**1,000**  
DISPOSABLE  
CONTAINERS

**CONSUMER  
PACKAGING  
MATERIALS** make up more than  
**30%** of landfill waste  
**THE BULK OF THAT IS FOOD PACKAGING\***

The use of plastic packaging in particular contributes to greenhouse gas emissions and negatively affects marine life and ecosystems.
